

## CALL ALERT SYSTEM

The Acushnet Public Schools utilizes a call alert system for parent/guardian notification of upcoming events, school cancellations, emergencies, and other information.

All student households will be automatically registered for the call alert system. The main home telephone number as provided on the Emergency Information Form that you filled out at the beginning of this school year will be used. If your home phone has changed since the beginning of the school year, we ask that you update this information in the space below. You have the option to include two additional phone numbers to receive these alert messages. Please fill out the form below if you wish to add any additional numbers. We are collecting this information at the end of this school year, for the following school year, so that all information is up to date for the start of school.

Please fill out the bottom part of this form and return it to the school as soon as possible. If in the future your phone numbers change you must notify the school immediately so we can update the system.

If you would like to know more about the call alert system, you can visit their website at [www.onecallnow.com](http://www.onecallnow.com).
