PARENT/GUARDIAN/COMMUNITY MEMBER VOLUNTEER PROGRAM

The staff of Ford Middle School encourages parent/guardian/community member participation in all aspects of the school program.

Parents/Guardians/Community Members can make our school more successful by becoming classroom aides, office assistants, tutors, lunchroom supervisors, library assistants, field trip chaperones, and many other important positions. Volunteers make a significant contribution to the staff and students each year and allow our staff to offer a better program for our students. For this reason, parents/guardians/community members are welcomed and encouraged to share their talents and resources by working as a volunteer at Ford Middle School during the 2006-2007 school year.

If you are interested in becoming a parent/guardian/community member volunteer, then please fill out the **Parent/Guardian/Community Member Volunteer Application** and a **CORI Form** (see below) and return it to the main office either via mail or by presenting this documentation to the main office secretary in person.
